9 July 1971

MEMORANDUM FOR: Director of Training

SUBJECT : Weekly Activities Report
6 - 9 July 1971

25X1A8

1. During the period of this report, eight programs involving 27 trainees were in session. Four programs were conducted in Washington and four were TDY's. Three of these eight were completed, and two were started during this week. 25X1A8

2. During June a total of 30 requests were received by involving 61 trainees and covering the period 1 July - 15 December. The great majority were singletons. This is an all-time record for requests for one month.

STAFF TRAINING BRANCH

3. visited on 2 July and again on 7 and 8 July to review CI materials and to discuss CI coverage in courses given there. One of his objectives was to identify items which might be usefully discussed during the seminar with CI Staff representatives in September.
